

Server/mapiniter.h

```
graph BT; A[Server/maingameloop.cpp] --> C[Server/mapiniter.h]; B[Server/mapiniter.cpp] --> C;
```

A diagram illustrating the dependencies of the file `Server/mapiniter.h`. The file is shown in a grey box at the top. Below it are two white boxes: `Server/maingameloop.cpp` on the left and `Server/mapiniter.cpp` on the right. Blue arrows point from each of these two boxes up to the `Server/mapiniter.h` box, indicating that both source files depend on this header file.
