

GameView/mainwindow.h

```
graph BT; A[GameView/main.cpp] --> B[GameView/mainwindow.h]; C[GameView/mainwindow.cpp] --> B;
```

A diagram illustrating file dependencies. At the top is a box labeled 'GameView/mainwindow.h'. Below it are two boxes: 'GameView/main.cpp' on the left and 'GameView/mainwindow.cpp' on the right. Blue arrows point from each of these bottom boxes up to the 'GameView/mainwindow.h' box, indicating that both source files include the header file.
